

Hello Pinball-Friends!

Because of the EPC 2010 taking place in Zurich this year I'll open my pinballroom „Outlane“ on Thursday 14 and Friday 15 of October from 19 pm till late. All pinballs are played with Swiss Francs and set to five balls per game. Smoking is allowed und there are hot dogs and a waste variety of beers and other drinks at the bar. If you want to visit the Outlane I would be glad if you send me a short email ([vasella@gmx.net](mailto:vasella@gmx.net)) so I know how many people I can expect.

The Outlane is about 15 min. away from the center of the city. Take the tram no. 2 til the stop „Freihofstrasse“.

If you come with a car from the highway (A1, Bern/Basel) take the first exit (Zürich Altstetten), follow direction „Altstetten“, after a whole turn to the right, you come on the „Europabrücke“. When you drive down this bridge, go straight at the first traffic light and turn left at the second. You should be now on the Badenerstrasse. After another traffic light (go straight) turn right into the Flüelastrasse. Fuchsiastrasse is the first street to the left. I have no parking spaces, search for free a public parking space on the Flüelastrasse.

Watch for a door bell outside the gray Garage Door at the end of the Fuchsiastrasse.

If you are hungry and you want more than hot dogs, there are a few restaurants that can be reached from the Outlane easily by foot: Bocciodromo ([www.bocciacono.ch](http://www.bocciacono.ch)) great italian Kitchen - not only pizza and homemade pasta! If you like asian food go to the restaurant Singapore near the tram stop. Good food is also offered at the restaurant Turbinenhalle ([www.turbinenhalle.ch](http://www.turbinenhalle.ch)), witch has it's own beerbrewery.

Good Luck at the EPC 2010!
